### ABOUT US:

With reference to the above-subject, we have a great honor to inform you that recently our radio station, locate in the center of Siem Reap Province. FM 102.5 MHz equipped by modern materials and particularly with more beautiful and professional commentators (most of us were graduated university) and many popular programs over 51 programs per week, FM 102.5 Mhz has gotten extreme popularity from audiences and many merchants have appraised it.

The reason it reaches these points because our station mainly aims in **Business, Knowledge, Social Life, Culture, Sciences, Hot news and Other technologies without involving any politics.** As a result, We have become The Standard Station of High Technology of Broadcasting in Cambodia over 20 provinces and over the world through the Internet and satellite of DTV.

### BOOKING:

- We have high responsibility for all programs.
- We have warranty to control your spots and make report for you if you recommend.
- We have recommend advertising for all companies, organization, others have legal license and certificate of quality of product only.
- Spot is recommended only 60”.

### MAKING SPOT:

- Normal Spot :  
Price: \$50 - \$100
- Professional Spot :  
Price: \$100 - \$200

We look forward to hearing from you soon.
